

Supply Preacher Request Form

With adequate advance notice, the Rowan Baptist Association will try to be of assistance to churches in need of a supply preacher (if one is available) to cover your congregation's pulpit during times of vacancy, pastoral vacation, illness, or disability. Requesting church will be responsible for writing a check and presenting it to the supply preacher on the day she/he preaches. Under circumstances when a preacher has to travel outside of the city he/she resides, mileage reimbursement is highly recommended, although not required. Please complete the information below:
